WHAT'S GOING ON?

- We are extending our bar area. The work will start in November, but the business will remain open as it will not impact the inside. The groundworks for the extended area will be built during this time.
- There will be building work ongoing throughout November and December, the work will start at 8am and finish at 4pm, Monday-Friday.
- Whilst the team will endeavour to create as little disruption as possible, there will be some noise made during the work. This will be limited to day times, Monday-Friday.
- Throughout November and December, we will open at 12pm.
- We will be closed between January 2nd and February 7th inclusive.
